ABOUT “AND JUSTICE FOR ALL”

“AND JUSTICE FOR ALL” is a statewide joint fundraising campaign founded in 1998 to provide a stable source of funding for Utah’s primary non-profit providers of free, non-criminal legal services - Legal Aid Society of Salt Lake, Utah Legal Services and Disability Law Center - in order to increase and improve access to justice for Utahns who cannot afford legal representation because of disability, poverty, age, migrant status or race. In addition, the campaign awards grants to other legal assistance providers whose work helps ensure that no citizen is denied access to the legal system. The organizations we support include:

- ⇒ Utah Legal Services
- ⇒ Disability Law Center
- ⇒ Legal Aid Society of Salt Lake
- ⇒ International Rescue Committee
- ⇒ Timpanogos Legal Center
- ⇒ Tribal Nations’ DNA-People’s Legal Services
- ⇒ Catholic Community Services
- ⇒ Utah Dispute Resolution
- ⇒ Holy Cross Ministries Legal Immigration Program

WHY YOUR SUPPORT IS SO IMPORTANT

The need for civil legal services in Utah is continually on the rise. Limited funding and increasing poverty rates have led to an increased number of people seeking aid from legal aid providers. Reports indicate that each year, over 80,000 individuals living in poverty in Utah have unmet legal needs which are never represented.

WHO YOUR SUPPORT HELPS

Last year, “AND JUSTICE FOR ALL” programs helped more than 31,000 people stay safe, sustain dignity, secure essential benefits and resolve civil legal disputes that threatened their wellbeing. Those who benefited from these programs include:

- ⇒ Women and children escaping domestic violence and abuse.
- ⇒ Individuals with disabilities seeking greater independence and employment.
- ⇒ Vulnerable citizens, including the elderly, protecting their limited assets.
- ⇒ Adults and children suffering abuse or neglect in nursing homes and institutions
- ⇒ Racial and ethnic communities affected by discrimination.
