PROVIDING STATEWIDE CIVIL LEGAL AID TO UTAH

# DELIVERING ACCESS TO JUSTICE FOR ALL

2018 ANNUAL REPORT

We believe access to justice is a fundamental right in our society. “and Justice for all” is committed to providing free and low-cost legal services, for Utah’s most vulnerable citizens – people living in poverty, individuals with disabilities, veterans, seniors, minorities and victims of domestic violence.

## MESSAGE FROM THE CHAIR

Dear Friends,

As “and Justice for all” moves into its 20-year anniversary of providing funding, support, and collaboration for various civil legal programs in Utah, it continues to be committed to sustaining and growing these programs that help those in need. I am delighted to give you an update of the great things that “and Justice for all” has accomplished.

During 2018, “and Justice for all” was able to provide essential legal services to 28,979 individuals. This was achieved by you, your generosity, your countless hours of service, your donations, but most of all your on-going commitment to make justice accessible to those most in need.

Thanks to you, families were able to stay in their homes, individuals were able to access the healthcare they so desperately need, victims escaped domestic violence, and those with disabilities received the support and access needed to improve their chance at fair employment or a right to an education. This is all because of you and your support of “and Justice for all.”

Meeting people’s basic needs – ensuring their physical safety, safeguarding their access to healthcare, furthering their economic security, and securing their access to justice – cannot be measured in dollars alone.

With your continued support “and Justice for all” will remain at the forefront of helping those most in need. I am honored to work with you and alongside you to help support these much-needed programs in Utah. Please accept my sincerest gratitude.

## ABOUT “AND JUSTICE FOR ALL”

“and Justice for all” is committed to the fundamental promise of our justice system: **equal access to justice and the courts regardless of one's resources.** We deliver on this promise by providing free or low cost legal services for Utah’s most vulnerable community members, advocating for systemic changes that benefit and create lasting change for our clients, and working with the courts, bar leadership and other stakeholders to ensure the civil justice system is equitable and just.

Our mission is to increase access to civil legal services for the disadvantaged and for individuals with disabilities in Utah by creating and sustaining resources to support civil legal services, sharing and consolidating resources so that services are delivered in a cost-efficient and effective manner, and strengthening the member agencies and the distinct roles they play in the delivery of civil legal assistance.

# THE “AND JUSTICE FOR ALL” PARTNERS

We serve thousands of low-income and disabled people each year by thoughtfully investing in legal aid programs across Utah that work. The services provided by our partner agencies and grant recipients contribute to breaking cycles of poverty, keeping families together and helping people off public assistance.

## Legal Aid Society of Salt Lake

**Legal Aid Society of Salt Lake (LAS)** is a non-profit organization that promotes safety, stability and self-sufficiency for low income families and individuals, as well as victims of domestic violence, through effective, efficient legal advocacy and assistance including providing protective orders or civil stalking injunctions in the Third District Court in Salt Lake County.

## Utah Legal Services

**Utah Legal Services (ULS)** is a nonprofit law office incorporated in 1976 to provide free legal help in non-criminal cases to low-income Utahns. ULS serves the entire state with offices in Salt Lake City, Ogden, Provo and St. George. Specialized units also serve groups with special legal needs including migrant farm workers, American Indians and senior citizens. Many of these poor families live great distances from the Wasatch Front and are dependent upon ULS programs for rural assistance.

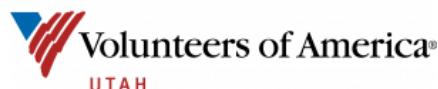

## Disability Law Center

**Disability Law Center (DLC)** is designated by the governor to protect the civil and human rights of people with disabilities in Utah. It is part of the federally mandated Protection and Advocacy system and serves as the state’s primary legal advocacy agency for Utahns with physical, mental and developmental disabilities. The DLC provides services statewide and free of charge to all eligible person.

## AJFA GRANTS PROGRAM - 2019 GRANT RECIPIENTS

“and Justice for all” sets aside **10% of funds** raised for a grants program to nurture smaller legal aid programs that provide direct civil legal aid to underserved populations.

# HOW YOUR SUPPORT HELPED

## STACI'S STORY

Staci Christensen, a woman with Down syndrome, was one of the two plaintiffs in a lawsuit filed by The Disability Law Center against the State of Utah. Staci and her co-plaintiff wanted to live in community settings but instead were stuck in care facilities that limited their privacy and their ability to make their own decisions. Staci, who is employed, wanted the freedom to work more hours, date, and take classes at her leisure.

After months of negotiations, the parties agreed on a comprehensive package to move 250 individuals of the 600 residing in Intermediate Care Facilities into Home and Community Based Services. The State also agreed to permanently reduce the number of licensed ICF beds, to create new services to educate individuals living in ICFs about the benefits of HCBS, provide enhanced services in the community, and establish a new waiver in order to divert individuals who would otherwise be at risk of institutionalization. **Staci is now living in a residential setting of her choice.**

*“Why should I be treated any differently instead of being treated as an equal and respected as everybody else?”*  
– Staci Christensen

## KRISTINE'S STORY

Kristine, a single-mother diagnosed with multiple sclerosis and her 8-year old child diagnosed with neurofibromatosis faced the looming threat of homelessness when the Davis County Housing Authority took away the family's Section Eight Housing funding.

With her landlord's approval, Kristine moved to a handicap accessible apartment in order to be more self-sufficient and take better care of herself and her daughter. The Housing Authority refused to authorize the move and terminated her housing funds. Utah Legal Services (ULS) was notified of the case when the pair were “literally a week away from going into a shelter.”

ULS was able to settle a third-party lawsuit against the Housing Authority, as well as a counter-suit against the landlord to ensure that Kristine was not forced to pay fines on her past due rent. **Kristine and her daughter were able to stay in their home.**

## MARY'S STORY

Mary was 22 years old, 6 months pregnant, and had a 2-year-old son. Her husband had been keeping her isolated in their apartment for 3 years. He would not let her drive, have a cell phone, or go to prenatal checkups. He even controlled what –and if – she ate.

With her mother's help, Mary and her son were finally able to escape. Her husband was furious, but Mary wasn't going back. She called Legal Aid Society of Salt Lake (LAS) for help. The divorce that followed lasted almost two years, and was peppered with incidents of threatening behavior on the part of Mary's husband.

Mary's legal aid attorney represented her through the whole ordeal, and in the end secured her divorce and full custody of her children. Since then, Mary has earned a paraprofessional degree, works at a law firm in SLC and has a home **where she and her two children are safe and secure.**
