We believe access to justice is a fundamental right in our society. “and Justice for all” is committed to providing free and low-cost legal services, for Utah’s most vulnerable citizens – people living in poverty, individuals with disabilities, veterans, seniors, minorities and victims of domestic violence.
MESSAGE FROM THE CHAIR

Dear Friends,

Thank you. Your support of “and Justice for all” has helped – and still helps – thousands of people get critical legal services they would otherwise have to do without. I am happy to give you this update on the remarkable work being done by the “and Justice for all” partnership.

The volume of services provided is amazing: the “and Justice for all” partnership assisted 28,505 Utahns last year, including 4,027 victims of domestic violence. In fact, the “and Justice for all” partnership was involved in over 12,000 family law matters in 2019.

Perhaps more amazing is just how much work the “and Justice for all” partnership does with the resources available to it: $1.00 of Utah tax money results in $9.08 of social return. As a result, the legal aid family law programs alone provide $1,146,816 in annual cost savings to Utah’s court system.

These numbers provide some welcome good news. And, as looking behind the numbers, we see the real cause to celebrate and support the “and Justice for all” partnership. Because of these programs’ services, families are able to stay in their homes and get access to medical care, people escaped domestic abuse, Utahns with disabilities were able to get the needed support to have a fair chance at employment and educational opportunities, and we could go on.

So again, thank you. Thank you for your generosity and willingness to support those in need through the “and Justice for all” partnership. With your continued support “and Justice for all” will remain at the forefront of helping those most in need.

ABOUT “AND JUSTICE FOR ALL”

“and Justice for all” is committed to the fundamental promise of our justice system: equal access to justice and the courts regardless of one’s resources. We deliver on this promise by providing free or low cost legal services for Utah’s most vulnerable community members, advocating for systemic changes that benefit and create lasting change for our clients, and working with the courts, bar leadership and other stakeholders to ensure the civil justice system is equitable and just.

Our mission is to increase access to civil legal services for the disadvantaged and for individuals with disabilities in Utah by creating and sustaining resources to support civil legal services, sharing and consolidating resources so that services are delivered in a cost-efficient and effective manner, and strengthening the member agencies and the distinct roles they play in the delivery of civil legal assistance.

THE “AND JUSTICE FOR ALL” PARTNERS

We serve thousands of low-income and disabled people each year by thoughtfully investing in legal aid programs across Utah that work. The services provided by our partner agencies and grant recipients contribute to breaking cycles of poverty, keeping families together and helping people off public assistance.

Legal Aid Society of Salt Lake

Legal Aid Society of Salt Lake (LAS) is a non-profit organization that promotes safety, stability and self-sufficiency for low income families and individuals, as well as victims of domestic violence, through effective, efficient legal advocacy and assistance including providing protective orders or civil stalking injunctions in the Third District Court in Salt Lake County.

Utah Legal Services

Utah Legal Services (ULS) is a nonprofit law office incorporated in 1976 to provide free legal help in non-criminal cases to low-income Utahns. ULS serves the entire state with offices in Salt Lake City, Ogden, Provo and St. George. Specialized units also serve groups with special legal needs including migrant farm workers, American Indians and senior citizens. Many of these poor families live great distances from the Wasatch Front and are dependent upon ULS programs for rural assistance.

Disability Law Center

Disability Law Center (DLC) is designated by the governor to protect the civil and human rights of people with disabilities in Utah. It is part of the federally mandated Protection and Advocacy system and serves as the state’s primary legal advocacy agency for Utahns with physical, mental and developmental disabilities. The DLC provides services statewide and free of charge to all eligible person.
