

“and Justice[★] for all”

LEADERSHIP CAMPAIGN FOR EQUAL JUSTICE

The Leadership Campaign for Equal Justice is our annual law firm initiative spearheaded by the [AJFA Leadership Committee](#)—a group of 20 amazing attorneys, representing law firms and in-house legal departments across Utah who come together every year to raise funds for individuals and families struggling with poverty, discrimination, disability and violence in the home.

We invite law firms and solo practitioners, regardless of their size, to give the equivalent of 2 billable hours per attorney or at the giving level of a firm’s discretion.

So that we may acknowledge your firm’s gift properly in published donor recognition lists, please indicate the number of attorneys at your firm in the space provided below. The firm donor levels are:

Justice Pillars	\$1,000 per attorney or \$30,000+
Justice VIP	\$500-\$999 per attorney or \$20,000- \$29,999
Justice Champions	\$250 - \$499 per attorney or \$10,000- \$19,999
Justice Partners	\$100 - \$249 per attorney
Justice Friends	\$5 - \$99 per attorney
